the MEMOIR

1941

Dear Jeanne: —

Well another year is over. This year sure has been different than last (and how!) Remember the first day when I wrote in your Memoir. Don't forget the good times we have had this last year, all those beach parties, Lido, outings etc. Maybe it didn't go so good then but it sure was fun. Remember the first Double with Jim & Lafette, how they were always fighting (and how!)

Remember this (2) good ole Model A.

Well here's hoping you don't meet up with anything bad this summer — I mean your driving. Hope I get what an excellent (!) driver you are.

I hope that next semester Dr. Stuart sees your finds points instead of ——— by the way he said I was missing some of my assigned points — wonder what he means. If was fun while it lasted (before the ole boy found out what a cute little girl you were) but we also had a good time yelling up + down (didn't we though) Take good care of yourself this summer — so you'll be able to get back to your good ole study

I don't think I'll ever forget these past fifteen months. It sure has been great going with you (I mean it) and I ought to know after 15 months. I'm sorry all this had to happen to you but then sure it will be made up to you.

Thinking of you often —
— even though I don't see you.

Love Jim

P.S. Keep it up Jeanne I really think you're all-right. You sure deserve a lot more than what's been given you. Hoping you much success + Happiness

Dear Jeanne Maderman we had a few spats but I trust that we are parting as friends. I'll be looking forward to seeing you again next year. Best wishes.

Dear Jean
Remember the times we made in the back seat in Provis (or P.S. didn't he) and we were sitting in the front with Herb Hutchins standing in the front with him

Dear Jean:
Maybe next semester we can be for some more walks but don't forget the time we skipped Keith's Hell summer school and swimming else

Dear Jean
Don't forget all the good times that we had when we rode home with Jim Goode & Herb Hutchins

Dear Jeanne

Dear Jean
Remember all the fun we used to have noon hour, and that day we had that Christmas party over to Jones. More fun. Why don't you come over some time. I don't know what else to write so bye & success to a small kid.

FORWARD MARCH!

•

Those are the orders of the Captain of our salvation. You seniors have spent three very important years of your life in training at Christian High. You are now prepared to either go find your niche in life or to go on to higher training. But remember, whatever follows upon your career at Christian High, you are preparing for eternity. The latter idea is the one that inspired your parents to sacrifice and to pray for you. It also imbued your teachers to give you the benefits of their years of experience and the devotion of their hearts. The Board is laboring with that same idea uppermost in mind, and the Ladies' Circle is untiring in its efforts in behalf of our school. The times that we are passing through put us all in the mood, willy nilly, of sober reflection. History is being made at such a rapid pace that the map makers are unable to cope with the situation. But we know that God is moving across the pages of history and that nothing happens without His will. The finest and noblest ideal that you can set up for yourselves is, by the grace of God, to learn to know and do His will. We can best learn to know the will of God by a regular, prayerful study of His Holy Word. Your teachers have laid a very good foundation for you in Bible knowledge. It is now up to you, by the Grace of God, to build the superstructure in a life of devotion and loyal service to God and your fellowman. Make the most of your opportunities to show to the world that you are in the world, but not part of it, and that the Reformed Christian has a very definite contribution to make for the well being of mankind in every realm of human endeavor. May God bless you and cause you to be a blessing, and a credit to the home, the school, and the Church you represent.

In behalf of the Board,

GEO. J. BROODMAN

IN MEMORY OF

MR. F. J. DRIESENS

During his many years at Christian High Mr. Driesens, who was the first principal, was faithful in all his duties. Forced to discontinue his teaching as a result of prolonged illness, he was relieved of his suffering last fall and passed on to eternal happiness.

MR. M. HOUSEMAN

"Grandpa" will long be remembered in the hearts of the students because of his untiring devotion to them and never failing interest in them. Ever faithful in spiritual things, his life was an example we may well follow.

Student Council efforts have been clearly apparent in school life this year. The council was divided into committees, each committee supervising one phase of activity.

Student-planned assemblies were featured. In chapel exercises, we enjoyed outside speakers every week, and on Fridays the Music Department entertained with special selections.

With the money raised during the year, the Council purchased a new flag for the school.

For the first time, our Student Council has been a member of the Grand Rapids Interhigh Student Council, meeting with delegates from all the other city schools at monthly meetings.

We hope that future student councils, also backed by a cooperative student body, may carry on and improve the plans we have begun this year. Then, as our efficient sponsor, Mr. Post, has said, "The Student Council will be the most active and beneficial student organization at Christian High."

Thomas G. W. Harper was elected president.

Ed A. C. Vanden Berg was given charge of the treasury department.

Cactus Kobes held the position of scribe.

Karl B. P. Van Baalen was elected as general adjunct.

Mr. John Timmerman is our sponsor.

At the beginning of the current school year, a new club was organized. An interesting feature of this organization was that we all had the opportunity to demonstrate our various culinary abilities in the preparation of refreshments. Aside from a few cases of violent gastronomical disturbances and abdominal pains, we enjoyed ourselves most in this desirable feature.

Apparently the club has been a success. We have accomplished all we intended to do and enjoyed ourselves immensely. We, the members of this extraordinary organization, sincerely express our thanks to Mr. Timmerman for his able leadership.

We hope this organization may grow in future years to be enjoyed by the generations to come.

THE EMBLEM, with *new staff-members*
new enthusiasm
new columns, and
new ideas has again appeared eight times this year.

The student body has responded with fine cooperation and interest. The subscription list was the largest in EMBLEM history.

Another large share of EMBLEM success was due to the constant, helpful supervision of our sponsor, Mr. B. Fridsma, and to our faculty adviser, the Rev. Mr. Wm. Stuart, who willingly wrote his "Passed by Censor" invisibly on every issue.

It was a pleasure for us to help reflect school life this year. T. J. B.

This year was just packed full of fun for the Seniors in O. I. C. Each girl helped to make our club a grand success.

At our first meeting we re-organized and plans were made for the initiation of a few new members. We each have a Secret Pal to whom we send some little gift on the holidays. Besides our regular meetings, we have been very busy with outside activities, including a treasure hunt, a Christmas party, and a taffy-pull. We also went bowling twice, attended the Calvin Thespian play, and went tobagganing at Ravenswood. As a special climax, we are looking forward to a house party.

Miss Vertregt has been an excellent sponsor, and we thank her most heartily for the time she has spent with us.

This year we became a Senior Club, and what fun it was! We divided ourselves into groups, and took turns furnishing programs.

Our club had charge of the paddle pop sales at the games. When we as alumnae come to the games and see the girls selling, we'll always remember what pleasure there was in that busy task.

At the end of the first semester we had a farewell hayride party for the girls who left school at that time. It seemed strange at first with only about half of us left, but we still have good times coming.

We express our appreciation for the friendly leadership that Miss Zandstra has given us, and we are happy that friendships with our sponsor and our club members will far outlast high school days.

The B. A. C.'s were quite an active club this year under the capable leadership of Mrs. Haan. The club is composed of thirty-four jolly friends who are willing to take part in everything that comes along.

One of our meetings was especially exciting—We all went bowling and to dinner afterward at the Y.W.C.A. Other meetings of interest that are expected to follow are — a talk by Mr. Beukema entitled, "The Elements of Cosmetics." (I'm sure that all of the girls will be there with bells on!) Another is a "home talent" program. You'd be surprised at all of the talent in our club!

We are looking forward to another happy year together in order to exercise our purpose — that is, to be boosters of one another and of our school.

Bi-weekly this year fifteen of us climbed Mount Parnassus. Dressed in bright red jerkins, we met the muses there.

Miss Zandstra, in her inimitable way, introduced us to the muse of literature, a special friend of hers. Under this expert and delightful guidance, we were inspired to write both prose and poetry.

Often these original compositions appeared in the *Emblem*. We also sent in some of our best work to the *Scholastic* Round Table. We are planning to place several books in our school library this year.

We had fun too. We enjoyed a long hike and steak roast last fall, and this winter an indoor end-semester evening party.

But even though at times we revelled in the pleasures of the palate, we were at our best in the high air of literary idealism on top of Mount Parnassus.

Under the very able sponsorship of Mr. De Vroome the Searchers of Science Club has been re-organized. This year our club meets once every week. The Searchers are now twenty-two in number.

The meetings are well attended. This year we have been studying the various phases of bacteriology. At the beginning of the semester we took a field trip to the Blodgett estate to collect specimens for our study of bacteria. We have also enjoyed taking trips to the Sewage Disposal Plant and to the state laboratory near Sunshine hospital.

We are now looking forward to the visit with the Biology Science Club of Holland Christian, and to other trips that we expect to take this spring.

Our club is composed mostly of girls who live out of town. We have sixteen members this year and have had many good times together. We meet on Monday noon and the members take turns in leading devotions. The latter part of the meeting is given over to a program.

We have sponsored two roller-skating parties. We had a "get acquainted" party and a Christmas party with the former members and a pot-luck dinner one Monday noon.

We are grateful to our sponsor, Miss Zandstra, for her interest and devotion to our club.

Our club has been progressing rapidly during the past year. Last September we re-organized, adding several new members to our group. Mr. De Haan has been our stimulating sponsor and has kept our activities in full swing. An enlarger was purchased which helped to make the dark room a more densely populated spot.

Our meetings have been interesting and instructive. At a few of our meetings we were entertained with moving pictures. Outside speakers provided us with information on taking pictures and on dark room technique. We expect to top the season off with an outing at Fallasberg Park.

BAND

President - - - - - Burton Jordan
Secretary - - - - - Laura De Jager
Sponsor - - - - - - Mrs. T. Haan

Even though small in number, our band has done a great piece of work this past year. For the first time since it has existed, we have had an officially organized group.

The band has pepped up many home basketball games, and has helped to produce school loyalty in the pep meetings.

Paul Holtrop, our able director, has led us through another truly successful year.

MUSIC DEPARTMENT

Music has been flourishing at Christian High this year.
Under Mrs. Haan's efficient direction, much progress has been made.
Senior and Sophomore Girl's Glee Clubs enjoyed learning "The Legend of Sleepy Hollow".
Instrumentalists though few in number have produced some excellent ensemble work.
Combining male pep and musical ability produced our ever-popular "White Shirt Brigade".

During the year the Choir achievements were perhaps most prominent.
Everyone worked willingly and wholeheartedly at the three rehearsals each week.
Polishing up technique, Mrs. Haan entered the Choir in the Regional High School Contest.
Ann Arbor — what fun! And how well the Choir sang!
Rewarding their efforts, the judges awarded Christian High a first division rating.
This, by the way, was a well-deserved birthday present for Mrs. Haan.
May's Spring Festival was the climax of the musical activities for the year.
Each musical group contributed to a well-received program.
New building plans provide for a special, sound-proof music room.
Thus, we can look for even bigger things from a department already a credit to the school.

BASEBALL

Again this year Christian has entered the city league. By the looks of the team thus far, we expect to make a better record than last season.

Much credit should be given to our coach, Mr. Timmerman, who has spent much of his time in training us in the fundamentals of baseball, and we as a team wish to express our appreciation for his time and effort in making this year's team a success.

RESERVE BASKETBALL SQUAD

This year the reserves did not have a very successful season. In winning five games and losing ten we were tied with two other schools for fifth place.

The team would like to express its gratitude to Mr. Stuk for the time he has spent with us . . . and to Mel Huttinga for his helpful service as Student Manager.

BASKETBALL VARSITY

The first team enjoyed a comparatively successful season, winning eleven out of twenty games. The regular schedule contained 15 games while 5 were played in the Class B Tournament. Christian scored a total of 656 points or 33 points per game while their opponents scored 573 points or 29 points per game. In 1941 the Eagles ended up in third place in the city race, but won the District Championship for the fifth consecutive year, and the Regional Championship for the fourth consecutive year.

Much credit for the team's success should be given to Mr. Beukema who has done such a fine job of coaching, and to Mr. Dornbush for his work and faithfulness in helping to make our games possible.

Louis Helder served as Student Manager and Harold Vanden Berg and Jim Swart served as captains for the first and second semesters respectively. We wish to extend our thanks to the cheer leaders, the scorekeepers and the student body for their excellent moral and financial support.

SEASON IN REVIEW

East Grand Rapids — Christian opened the season with a decisive victory over the rather weak East Grand Rapids quintet. The Eagles displayed a fine brand of basketball for the opening game. The team had little trouble with East jumping into a lead of 17-2 at the end of the first quarter and led 27-5 at the half. The final score was 44-16.

Grand Haven — The Christian Eagles travelled to Ottawa County to do battle with Grand Haven. It was a nip and tuck affair with the lead changing hands for the first three quarters, but Grand Haven's offense started to roll in the last quarter and couldn't be stopped by the Eagles. The final score was Grand Haven 33, Christian 22.

Central — Determined to start the city league off right, the Christian Eagles took the Hilltoppers from Central into camp by a close 31-26 victory. It was a hard fought contest with Christian in front all the way. This was the first time we were victors over Central on their home floor.

South — Hoping to continue on to another City Championship the Christian Eagles were defeated by a fast and scrappy South High team. South showed some fine ball handling and good defense. The final score was South 39, Christian 24.

Holland Christian — On New Year's day before a crowd of 1500 jamming the Holland Armory the Grand Rapids Christian Eagles bowed to Holland Christian ending their winning streak of five games over the Tulip City lads. The game started slowly with both teams handling the ball with caution. The Eagles led at the end of the first quarter 6-4 but the score was tied at 13 all at the half. In the second half the lead changed hands about five times and the game ended in a tie, 28 all. One overtime was played with each team getting one basket, but Holland Christian won by the new point system rule.

Union — Following the vacation the team returned to the city race to battle the Union Red Hawks. The game was a close one with Christian managing to win out in the last minutes by a 22-17 score. The Eagles showed ragged ball handling and poor shooting.

Davis Tech — In contrast to their playing of a week before the Eagles took a decisive 40-31 victory over the Davis Tech Wildcats. Christian took a slim lead at the end of the first quarter 11-7 and from then on coasted to victory.

Ottawa — The following week the Eagles duplicated their splendid performance by outclassing the Ottawa High Indians by a 40-36 score. Christian was ahead all the way jumping to an early lead in the first quarter 14-7 which was increased to 37-20 at the end of the third quarter. At this point Ludwick's boys started hitting the hoop from all angles but fell short of tying it up.

Catholic — Christian playing its second game of the week bowed to the tall Catholic Central team by a 37-30 score. The game was close throughout with Catholic holding the lead all the way.

Creston — Christian experienced much difficulty with the Creston aggregation who were in there fighting all the way. The game was marked by an enormous total of 45 fouls with Christian getting 19 called on them and Creston 26. The game was close all the way until the last few minutes when the Christian lads took over a sizable lead. The final score was 35-30. This game marked the last appearance of Rosema, Boshoven, and Vanden Berg who were lost due to the eight semester rule.

Central — The following week Christian started with a new lineup. The Eagles took another thriller against Central, beating them in the closing seconds by a 21-20 score. The Eagles held a slim 9-7 lead at the half but the Central Hilltoppers took over the lead going into the fourth quarter 16-14. Christian then came through with 3 fieldgoals and 1 foul shot to take the game.

Holland Christian — Playing on the Burton floor the Grand Rapids Christian Eagles fell one point short of beating Holland Christian after holding a slim lead throughout the entire game. The Eagles jumped to an early lead at the end of the first quarter 11-5 only to lose out in the closing minutes of the game on quick field goals by the Tulsmen. The final score was Christian 30, Holland 31.

South — Determined to avenge the defeat Christian received from the South cagers the first time, the Eagles went into the game with high spirits and fighting for every loose ball like a band of Indians. The team kept pretty well on even terms with the Patterson lads for the first half. At the start of the second half the Trojans from South High hit a hot streak, and couldn't miss and built up a 34-22 score to take the game.

Union — The next game saw Christian playing the Red Hawk's from Union on the Ottawa floor. The Ellingston's lads jumped to an early lead at the end of the first quarter 12-2; a lead which Christian could never overcome. The final score was Christian 18, Union 28.

Tech — The final game of the regular city league saw Christian pitted against Tech. The fighting Wildcats hung right in the game and managed to win out 25-24. This game put Christian in third place which isn't such a poor showing considering the loss of so much material last year and at the half way mark this year. Coach Beukema did a wonderful job of keeping the team agoing.

TOURNAMENT

Lee — Christian drew the weak Lee team as their opponent in the Class B District Tournament. The Eagles experienced no difficulty with the Lee quintet as we held a large lead at the end of the first half. The subs finished most of the second half. They also turned in a fine performance. The final score was 48-14.

East — The following night we met East Grand Rapids for the second time this season. The Eagles duplicated their feat again by setting the Pioneers back on their heels by a one-sided score of 51-20. The Eagles jumped to an early lead and held a large lead throughout the entire game. The Christian team was presented a trophy as a result of its victory over the East Grand Rapids team.

Greenville — Coach Beukema's boys had quite a tussle with the Greenville outfit and really knew they were in a battle before the game was over. Both teams were equally matched and equally tired. Christian led at the first quarter 8-7 only to be overtaken by Greenville which led until the closing minutes when Coach Beukema's boys put on a spurt and won 29-27.

Manistee — The next night found Christian pitted against Manistee, who defeated Grand Haven the night before. The teams started out slow with the score 7-6 in favor of Manistee at the end of the first quarter, but Christian led 13-10 at the half. The Beukema-men entered the second half with renewed confidence and fought bitterly to the fourth consecutive regional championship.

Sturgis — Hoping to win a state championship the Christian Eagles were eliminated by a tall and rangy Sturgis team. The Eagles gave the Sturgis team a battle despite the great difference in height. The final score was Sturgis 36, Christian 22.

GIRLS PING PONG CLUB

Manager, First Semester - Gertrude Holtrop
Manager, Second Semester - Lillian Wyngarden
Sponsors - Miss F. Seven and Mr. R. J. Dornbush

The Girls Ping Pong Club has again furnished fun and recreation for the Senior girls. Friendship ties were strengthened during our competitive matches, and especially during those riotous round table games with our improvised paddles. The room was also used as a place to exchange the latest bits of news and gossip. Although inconvenienced the second semester because of the loss of our room, the club has had a really enjoyable year.

We express our appreciation to our sponsors, Miss Seven and Mr. Dornbush, for the kindly help and guidance they have given us.

As has been the custom of previous years, Seniors only are eligible to join the Boys Ping Pong Club. The membership has been rapidly increasing, until now we have a total of 36 members.

We appreciate the privileges granted us and especially wish to thank Mr. R. J. Dornbush, our sponsor, for his kindly and helpful advice.

HOME HYGIENE AND CARE OF THE SICK

Instructor - - - - - Mrs. M. E. Tucker
Manager - - - - - Lillian Wyngarden
Sponsors - - Miss Seven and Miss Zandstra

This year a Home Hygiene Class, under the direction of the American Red Cross Association, was organized here at Christian High. Classes of this kind have been formed all over the country, so that general health conditions may be bettered, and the nation may be ready in emergencies. Mrs. Martha E. Tucker, a local Red Cross nurse, has been our instructor, meeting with us every Thursday afternoon.

Some of the more important things we studied were personal hygiene, isolation technique for communicable diseases, and first aid.

Mrs. Tucker has made the course very instructive and at the same time enjoyable.

TENNIS

After two weeks of battling both the wind and each other, the veteran, skilled players have begun to eliminate the glory-seeking new-comers. And incidentally, this is the cause of the coach's, Mr. Vander Ploeg's swell coat of tan; he has not been in Florida.

The rank of the doubles teams is not yet certain. It seems to be a toss-up between DeMaagd and Holtvluwer and the Scamehorn-Straayer combination for the No. 1 and No. 2 spots, with H. Lotterman and Al. Lotterman the alternates. Boyd Hoffman's enviable back hand and powerful forehand has a good chance of earning for him the No. 1 singles position, leaving 2 and 3 wide open, to be conquered by Jim Ritzema, Cliff Orlebeke, or Lambert Steen.

•

GOLF

Another golf season has come and many boys have tried out for the team. Mr. Bratt, the coach, has staged a tournament among the boys, and those finishing on top have been selected as members of the squad. The team has four veterans.

Six players will be carried but only four will play at the different matches. The team members are: Scholtens, Hollander, Thomasma, Ritzema, and the Smalligan brothers.

The Program Committee, consisting of Mrs. Joe Stevens, Mrs. Herman Brink, Mrs. Jacob Vanden Bosch, and Mrs. Peter Hoekstra, supplies the Circle with good speakers and excellent music. Mrs. Adrian Koert and Mrs. Klaas Tol do the serving as a coffee committee.

All the committee members have worked hard and have done splendidly.

The Circle pledged five thousand dollars with which to equip the new unit of the school which is under construction at the present time. Up to the first of May the Circle has already handed the School Board the sum of twenty-eight hundred dollars to apply on the pledged amount.

We invite all mothers of our students and all the friends that are interested to join with us next fall, and help us work devotedly in this work of the Kingdom. We desire to express our sincere thanks to those who have supported us so faithfully and helped to make our Circle a success.

HISTORY OF CLASS OF '41

•

In the month of September, 1938, we, the class of "41," began our short stay of three years at Christian High. When we as "freshies" looked ahead those three years seemed eternally long.

Gil Broene was chosen by the class as skipper to pilot the ship "We Know It All" to the port of "Juniors" safely. This he did very ably, and by the time we became Juniors all this pride and superiority complex had left; from then on we became a class which we hope and believe will long be remembered at Christian High. Our two sponsors, Mr. Fles and Mr. Vanden Berg, have had much to do with our success during our school years at Christian High, displaying much patience with a class so anxious to move ahead.

Bob Boshoven was elected Class President in our Junior year. As usual the "big" event in this year was the Junior-Senior Party, held on a very warm, typical mid-summer night at the LaGrave Ave. Parish House. After a rousing farewell to the Seniors we as Juniors were moved forward to the enviable position of Seniors.

In our Senior year a new type of money raising program was introduced. To swell our treasury, we hit upon the plan of showing noon-hour pictures, thus eliminating two big problems, that of money raising for the Senior Class and the noon-hour inactivity. Jack De Korne, our president, spent much time on this project as did our sponsors who censored every picture.

On March 26, 1941, we were deeply shocked to learn of the unexpected death of our classmate and friend, Vernon Verduin. Vern was not an active member in outside school activities but this was due to his health and his work at home. Vern was faithful and dependable and a pleasant companion. As one of the teachers remarked, even though he was not in the best of health and lived a long way from school, he was always prepared for his studies. He had many qualities of character that we would do well to imitate. May we never forget Vern, whom we now believe to be in the Eternal Home.

We now look forward to the Senior Play, and the Junior-Senior Party, with the other Senior year activities. As we look back over those three fleeting years which have gone by, we are saddened as we think of leaving Christian High, the teachers, and all the classmates, to find our way in life. May our future, either in further education, or in the business world, be as pleasant as the days we have spent at Christian High, and may we give evidence of the fact that we have had a Christian education.

Again our thanks to our two excellent sponsors, Mr. Fles and Mr. Vanden Berg, for their interest shown in the Class of "41."

M. D. J.

COMMENCEMENT ADDRESS

•

Three years ago a new class was formed at Christian High School. Each member had his own goal set, but we all looked forward to the time when we would graduate.

Tonight that desire is being fulfilled. This should mean more to us than just a completion of three years work, more than just being finished with high school. It is not only a completion, but it is also a beginning, a beginning of a new period of our lives.

In the past years our character has been developing, we have come in contact with new ideas and formed many of our own; now our personal character will be tested by the many temptations of the world, and our ideas will have to be used by us to make our lives successful.

And why shouldn't we make a success of our lives, for we not only have had an academic but also a Christian education which is invaluable in every crisis of life.

On the whole, life at Christian High has been very enjoyable, but it wasn't all fun — we had our ups and downs as all people do in other phases of life. Not as serious perhaps as those that are to come, but still to us they meant something. We had just as much trouble with tests, examinations, and teachers as you had when you went to school. However, we must not look on the mistakes we made as things to be forgotten but we intend to profit by them.

In the future as well as the past, we will have God to thank for the guidance and strengthening force that was given to each and every one of us.

The Christian education we received was not made possible without sacrifices. Our parents have deprived themselves that we might enjoy not only education of the mind, but also of the soul. For this we should like to thank them with all our hearts.

We also wish to express our gratitude to the faculty, whose advice and encouragement was a great help during our school years. Even though there were times when we thought the school would be much improved with the absence of some of them, if we look back we admit that they were helpful and an important part of our school life.

To Mr. Post, too, we express our deep appreciation for the capable leadership he rendered to the school.

The class would like to thank our sponsors, Mr. Fles and Mr. Vandenberg, and our personal advisers for their time and effort so willingly given us.

Naturally, school isn't made up of just students and faculty but there are organizations such as the Ladies' Circle and individuals who have contributed much to the school, and to them we say, "Thank you."

The School Board, in whose hands the parents have entrusted the governing of Christian High School, is also to be thanked as they have always done things for the good of the school and have put forth their utmost effort to make Christian High a better institution.

It is time now for us to leave. Some of us will continue together; we will all make new friends, new acquaintances, but still we will remember our companionship at Christian High and our graduation tonight. One doesn't know whether to feel sad at the thought of leaving or happy at passing another milestone, but I think most of us have a combination of the two.

We are happy to live in a democracy. It is essential to a democracy that its people are clear-minded and straight thinkers. The faculty and all the various people and organizations I have mentioned here helped us to be better men and women in the world. They have given us a start; it's our turn to finish it. We can do it, but more than that — by the help of God we will do it.

So far our three years at Christian have been most enjoyable and we, as juniors, are already looking forward to the time when we can assume the title of SENIORS.

Our junior year began in November with the election of officers. Later we planned purchasing rings and secured them shortly after Christmas. Plans are now in the making for our annual Junior-Senior Party and we, the junior class, hope to give the finest party ever provided for a senior class.

Under the genial supervision of our co-sponsors, Miss H. M. Zandstra and Mr. C. Beukema, our junior year has been most pleasant.

Dear Jeanne,

Well, kid, another year has rolled around and we know each other better & I know he'd done back to get. I knew everybody else did. you just as every nite we saw them Remember the nite we saw them go away? (on cutes???) Be good and take care of "him". I know he cares, also take care of the other one for me seeing were apart again for awhile. Luck & Success to a swell gal.

Season of Defiance

As we, when camping, build our camp-fires high
To keep away the thoughts and things we fear,
So does the Summer, pale, and cool, and shy,
Blaze out in warmth of color, when cold Winter's near.

Frost frightens lovely Summer with his icy touch,
She shivers 'neath his silvered breath.
She hides herself within her leafy couch.
But not before she's built her camp-fires bright,
Before she's done her best to ward off cold and death.

DORIS DEKKER

Spring Anguish

Spring is outside tonight —
Sweet air swishing young leaves,
Yellow daffodils under the moon,
And lovers in the park.
Joy is in every living thing,
There is new, lovely life —
Outside.

But I am inside
Where no spring comes in,
And I could not go out tonight.

Tomorrow
I will go
To see if they have laid the green squares smoothly
Over his grave.

T.J.B.

Storm Sequence

The angry gods had dashed the mighty billows 'gainst the shore,
Against the patient shore whose every sand was changed by each succeeding wave.
The rushing wind had torn the quivering poplars from the ground
While shouting its defiance to the world.

But now the slender grasses tremble in the breeze,
The gulls alone disturb the mirrored surface of the lake
And only driftwood and a freshly chiseled ledge
Tell of the tempest of the night before.

CALENDAR

SEPTEMBER - - -

Our opening days of school are saddened by the death of our registrar, Mr. Frank Driesens.

Prof. Schoolland from Colorado tells us about "mirrors".

South America is brought home by Rev. William Muller.

"Great and Marvelous" is the Choir at the Sunday School Teacher's Convention.

Senior Class elects officers.

Mrs. Stuart makes a plea for pennies to help finance furnishings of new building.

Rev. Wm. Swets, a former student, returns to talk to us on Josiah and his example.

Campaign for new building funds is begun and the $35,000 is over-subscribed.

Debaters make their annual journey to Hastings. Harper and Drost and their onions go to town.

OCTOBER - - -

Willkie comes to town.

Everybody goes to the Navy Band — that is, at least they weren't in school.

Robert and Warren De Vos entertain musically in Chapel.

Fireman Stanko presides over a special assembly and an unexpected drill.

Rev. George Stob speaks to us on the calling of Samuel.

First report cards — some disheartened students vainly practice imitating penmanship.

Rev. Muller comes back with "flies and lice in Carambehy".

Emblem subscription campaign—largest number of subscribers yet!

Mr. Stuk wows us with his new suit.

Hurrah! Teachers' Convention.

The Ritzema brothers take over Chapel exercises. They really can play!

Open House for parents of new students.

We receive first hand information from Rev. J. Schuurman about German youth.

NOVEMBER - - -

Government classes plan a school campaign and election. Powerful speeches by Ed Vanden Berg, Anne De Boer, Karl Van Baalen, and Harold Knoor sway the electorate. Well, at least we're all good Republicans.

Armistice Day vacation and a big wind storm — probably begun by one of Thea's debate speeches.

Junior Class decides on rings.

Mr. Van De Water speaks in Chapel.

Choir sings in Chapel for Thanksgiving.

Two days vacation, used for sleeping and digesting.

Seniors learn about banking and also get a free bus ride. Esther Steven's banking essay merits her a prize.

Pep assembly and our first basketball game. We won!

Red Cross Drive — students give generously for collection.

DECEMBER - - -

Mr. P. Zondervan tells us about the helpfulness of the Gideons.

Debaters enter two-day invitational tournament at Junior College and win championship over twelve other schools.

Mr. Richard Postma and the Choir make our last Chapel exercise in 1940 a success.

Ah, twelve days of vacation. Perfect bliss and idleness!

Our friend, Grandpa Houseman, dies, and we remember him for his kindness and are influenced by his Christian living.

New Year's Day game — we didn't lose, the point system just gave them an extra point after an overtime.

JANUARY - - -

Back to school to start a new year.

Student Council features football pictures for noon hour entertainment.

Rev. Smit informs and interests us with his talk on China and her war.

Debate team wins another League debate, which entitles them to compete in State Elimination Contests.

Senior Class presents "Boy Meets Dog" for only a nickel.

Student Council sponsors amateur contest — Laura wins first and $5.00 with her clarinet solo, Betty Ornee places second, and Anne Jurgens wins third.

Seniors elect Memoir staff. Jeanne Hendrickson is new editor.

Oh woe! Exams! They ask everything we don't know and nothing we do!

FEBRUARY - - -

Eighty-two more Freshmen to cram into our tight quarters.

Everybody posing for play try-outs.

Debaters win district trophy in State Eliminations.

Rev. John De Korne tells us that "It is the way we live, not the way we die, that counts."

Dirt flies as the work on our new building is begun.

Holland Christian beats us — this time by one real point, at our homecoming game.

Dr. Goris gives us a wonderful talk on real Christian Culture.

Mr. George Oppenhuizen tells us about the mission work in New Mexico.

Mr. Stuk suggests a remedy for our mid-semester let-down.

Mr. Timmerman tells us about different degrees of smoking and also gives us four ways to break habits.

Prof. Wyngarden's chapel talk and pictures of Grand Rapids Youth by Mr. De Jager give us interesting release from classes.

MARCH - - -

Professor Swets tells us about the great oratorio "The Elijah", and presents soloists Bill Heynen and Marius Rooks, accompanied by Dick Van Halsema, who sing parts of "The Elijah" for us.

From now on we have special music every Friday. Laura De Jager, Mary Van Galen, and Helene Hekman played the clarinet, violin, and piano in fine ensemble work.

The event of the year — Gil and Jim's accident. Jimmy Swart, our modest stellar basketball captain, presents the district trophy. We all have high hopes, but only one more is forthcoming. But a district championship five years in a row is nothing to laugh at.

A special assembly brings us two Calvin oratorical winners. Ruth Warners speaks on "Democracy Under X-ray," and Alex, our own former clown, convincingly presents "Diplomatic Imposters."

The Music Department present Nora Hofmeyer, singing, "Come Ye Blessed."

Another Friday: Edith Steigenga and Esther Stevens sing the duet, "The Lord is My Shepherd."

The death of Vernon Verduin, our classmate, brings kind sympathy cards and flowers from the students, and reminds us forcibly how swift and soon death can come.

The Choir delights us by their fine rendition of "By Babylon's Wave" and "Hear My Prayer."

Speech Contests at school:

Charlotte Hoekstra first in Oratory

Jeanne Hendrickson first in Interpretive Reading

Thea Bouma first in Extempore Speaking.

Warren De Vos first in Declamation

APRIL - - -

Mr. Henry Hekman tells us about true salesmanship.

Warren De Vos plays a piano solo for us.

The "White Shirt Brigade" sings very well. Whew! What suspenders!

Easter Vacation is hardly begun before we're back in school again.

Sub-district Speech contests held at Wyoming Park. Christian High representatives take all four first places.

S.O.S. entertains Holland Science Club with a trip to the Museum and a dinner.

The Music Department gives a program in the Jenison church.

President Schultze tells us about ourselves. But 60% doesn't half cover it.

Betty Ornee plays Rachaminoff's Prelude in C sharp minor, and does a grand job of it.

Sell out for our Senior play. Such technique! Gil really got the breaks. Anyway, the Seniors made $250.

Captain O'Malley makes a plea for sane driving and living.

Student response is "Entusiastic" at the excellent assembly featuring Bill Roozeboom singing and Jack Hasper speaking.

Lois Vander Wal and Marcelyn Roskamp ably represent the Music Department in singing a duet.

Congratulations to Mrs. Haan and the Choir. Winning first division rating at a State Contest in Ann Arbor is really something to be proud of.

We enjoy Jeanne Hendrickson's reading, "The Perfect Tribute", in Chapel.

Shirley Swets gives us beauty in her splendid oration, "They Shall Have Beauty".

MAY - - -

New piano star, Louis Rus, gets enthusiastic applause after his solo in Chapel and plays an encore for the insistent students.

The Spring Music Festival at South High brings to a climax all the musical activities of the year.

Rev. Harry S. Dykstra, missionary from China, talks very interestingly on conditions in China.

The Junior-Senior Party was a rousing success. The Seniors certainly will go a long way on that sendoff. Thanks, Juniors, for a splendid time.

Graduation. Approximately 140 seniors say "Goodbye" to Christian High, but not for good. We'll always remember our dear old Alma Mater, and we'll never forget the splendid times we've had there. To teachers and classmates we bid a fond farewell.

PATRONS

Dearest Jeanne,

It seems so good to be writing to you - as one of my very best pals. Last year I wrote to you as being almost a total stranger but this year things have changed, our friendship having developed almost over night - and not for one minute have I regretted it. I truly think you're one of the grandest kids I know and my hopes and expectations turn out the way I have planned our friendship will be a lasting one, more pleasant every day! I don't believe I'll ever forget the many, many confidential chats we had together - about everything in general, nothing in particular (I guess you'll understand, won't you?) I've never shared so many troubles, desires etc with anyone as I have with you - I guess, because we both had so many mutual woes, so terribly much in common.

Don't ever forget our midnight strolls, our several double dates, our telephone conversations, our rare times on Sun. night when neither you nor I had dates, the pleasant chats with Boyd and Alv, our rides in the Model A, and most of all that horrid night I spent, sluping over to your house - weeping and wailing in agony.

Deanie, I've done most everything in my power to keep you and Jim together and I don't know yet whether my efforts are in vain or not, I hope not. I'm positive he'll wake up and realize what a truly wonderful pal he has given over. But some day - oh yes -

Guy, remember how we planned ofttimes way, way into the future? Wasn't it fun? I'll never forget how we built one air castle after another.

It was so often you gave me a lot of valuable advice - I thank you too much. Thanks also for the recommendations you gave (her?????) [redacted] for me! "It's those little things that count"
